## Metavante Provides Alaska USA With LOS

March 27th 2006

Metavante Corp. reported that Alaska USA FCU has licensed its web-based Loan Origination Studio (LOS), Workshop toolkit and Loanportal, its integrated third-party services gateway. Metavante will provide Alaska USA FCU with an online LOS origination solution from its GHR Systems, Inc. affiliate. GHR's LOS point-of-sale system module, will enable Alaska USA FCU to automate the mortgage sales process and boost loan officer productivity and member satisfaction by shortening the loan origination process and matching customers with best-fit loan products, the company said.
